GMO STATEMENT

March 31, 2019

We have reviewed the following product:

SMOKEZ POLY C-10

and hereby certify that, to the best of our knowledge, the above-mentioned product is

☐ **Non-Genetically Engineered**

This term is used to describe products that contain no ingredients, additives, or processing aids derived from commodities that have commercially grown Genetically Engineered varieties in the supply chain.

☒ **Non-Genetically Engineered (validated)**

This term is used to describe products that contain ingredients, additives, or processing aids derived from commodities that have commercially grown Genetically Engineered varieties in the supply chain; however, they do not contain Genetically Engineered materials because 1) raw material records are maintained for "Identity Preserved" (IP) and/or 2) raw materials are tested for "PCR Negative" by our suppliers.

☐ **Genetically Engineered**

This term is used to describe products that contain ingredients, additives, or processing aids derived from commodities that have commercially grown Genetically Engineered varieties in the supply chain.

☐ The product contains dairy, meat, or a product from farm animals for which we have no knowledge of the genetically modified status of the feed.
